History Guild of Daly City/Colma

The History Guild of Daly City/Colma was established as a non-profit organization in 1983, and has preserved documents and artifacts inspiring public interest in local history for the past 26 years. In 1992, the Guild opened the Mini-Museum in the basement of the Serramonte Library and set a long-term goal of establishing a future, full-size permanent museum. Through raffles, memorial gifts, special donations, and the frugal management of membership dues, the Guild has saved for this moment. In February of 2008, the John Daly Library moved to the new War Memorial Community Center. The Guild has been fortunate to reach an agreement with the City of Daly City to lease the old John Daly Library building for \$1 per year for the next 20+ years.

Over eight decades of use had taken their toll and reuse of this vintage building required extensive improvements. What you see today is a work in progress as our gift to the community for the 100th Anniversary of Daly City in 2011. After many volunteer hours and much hard work, the Guild is ready to open the doors of its Daly City History Museum to the public.
